Tender Evaluation

Tenders should be evaluated on the basis of the quoted PAC exclusive of taxes, except in the following cases

- (a) In cases where the bidders participated in a Tender consist of both registered and unregistered parties, Tenders shall be evaluated based on the total cash outflow to KSEBL. That is, the rates quoted by contractors excluding Taxes plus the GST (for registered parties) should be taken into consideration for the purpose of determining the L1 bidder.
 - (b) If reverse charge is applicable for the subject work at the time of tender evaluation, KSEBL's liability on account of Reverse Charge Mechanism should also be considered (as cash outflow) in the evaluation of the tender.
 - (c) If the bidder is a composite dealer (which can be identified from the GST registration certificate furnished by the bidder (Type of Registration – Composite) such contractors shall be evaluated as if they were unregistered contractors and clause (a) above shall be made applicable.
 - (d) In case of tenders having PAC less than or equal to 20 lakhs, if the GST registration details were not specified by a registered bidder while submitting the Tender, he shall be treated as if he were an unregistered dealer. If the work was awarded to that bidder treating him as an unregistered dealer and at a later stage if it is found that he holds a valid GST registration, he should be insisted to provide GST invoice indicating the quoted amount and GST and in such a case the quoted amount shall only be reimbursed to him and the GST amount shall not be reimbursed.
 - (e) TCS u/s 206C (1H) need not be considered for Tender evaluation.
 - (f) This e-tender is being done in one cover system. Cover contains details related to document fees, Earnest Money Deposit (EMD) and bid agreement. NIT, general tender conditions, special conditions, technical conditions and other forms and bill of quantities.
 - (g) Bids should be valid for 90 days after the deadline date specified for bid submission
- All other terms and conditions existing in KSEBL for similar tenders are applicable to this also.
